be accorded.

2. The general question raised in para 2 of P.W.D requiring some consideration -

The Revenue has no agency competent to c-ain technical scrutiny. In the case of works of magnitude, it is best that the P.W.D procedure are adopted as far as they are applicable - At the same time there is some force in the views expressed by the M.C, the delay in the execution of works may be avoided if some latitude be given. Hence and the D.C

I would suggest the enhancement of the limit to Rs 1000 from Rs 250, which seems to be too low. Within this higher limit the M.C may be empowered to sanction the execution of works without reference to the P.W.D but the assistance of that dept should be sought for when the work involves technical points.

3. It may not appear necessary to empower the D.C to issue instructions regarding the execution of works costing over Rs 250 without reference to the P.W.D. There should not be any delay in obtaining the sanction of the M.C, in whatever way - This limit may be taken up to some limit

Are there any Works the execution of which has to be arranged for & supervised by the MC and not by WDs. If not, there is no object in giving the proposed power to the MC in the execution of all Works is to be carried out, under the supervision of WDs. To

B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

In forwarding herewith a copy of letter No.L.H.688/28 dated 28th June 1929 from the Deputy Commissioner, Mysore District in -- the matter of permitting, an estimate amounting to Rs.612/- for -- repairing the Sri Venkataramanasway temple on the Narighatta Hill Seringapatam Taluk, to be executed by the Revenue Department as the work was one of a petty and urgent nature, I have the honor to recommend that Government sanction may be obtained for the -- Deputy Commissioner's proposal.

In this connection, I beg to submit that G.O.No.2170-30, Muz.552-21-4 dated 30th January 1929 prescribing the mode in which Muzrai works are to be carried out has laid down that all works - costing over Rs.250/- should invariably be executed by the P.W.D. In the rules framed under the Mysore Religious and Charitable Institutions Regulation, this point has not been touched, so that though the Muzrai Commissioner has powers to sanction estimates up to Rs.2500/- in each case, still he has no power to have the works executed through any agency other than the P.W.D., if the estimates exceeds Rs.250/- in any case. In many cases, it has been found advantageous and cheaper to have temple works done by devotees and persons interested in their well-being, but on -- account of this rule, special sanction of Government has to be obtained in each case, which involves considerable delay and --

Inconvenience.

I therefore beg to suggest that I may be empowered to sanction the execution of works within my powers of sanction by agencies other than the P.W.D., whenever I consider that such a step is in the interests of the institution. Similar powers may be given to the Deputy Commissioner with respect to works in his jurisdiction whose estimated cost does not exceed the limit of his sanction.

I have the honor to be,

Sir,

Your most obedient servant,

R. M. Narasimhan Chettiar

for Mudral Commissioner.

Repairs - Sri Venkataramanaswamy temple - Karighatta Hill - Seringapatam Taluk.

I have the honor to state that an estimate for Rs.612/- received from the Executive Engineer, Mysore Division for repairing the Sri Venkataramanaswamy temple on the Karighatta hill, Seringapatam Taluk, had been sent to the Amildar, Seringapatam, for report as to the availability of funds at the credit of the institution and the opinion of the temple Dharmadarsis. He reports that the work is necessary and urgent that the Dharmadarsis agree to the execution of the work and that the estimate may be sanctioned and the work permitted to be executed through the Revenue Department as the Institution has limited funds.

2. I have sanctioned the estimate for the net amount of Rs.554/- excluding Establishment etc., charges and authorised the work, which is one of a petty and urgent nature, for execution under the supervision of the Taluk Amildar.
